The increase in MSP for mandated Rabi Crops for Marketing Season 2025-26 is in line with the Union Budget 2018-19 announcement of fixing the MSP at a level of at least 1.5 times of the All-India weighted average Cost of Production. The expected margin over All-India weighted average cost of production is 105 percent for wheat, followed by 98 percent for rapeseed & mustard; 89 per cent for lentil; 60 per cent for gram; 60 percent for barley; and 50 percent for safflower. This increased MSP of rabi crops will ensure remunerative prices to the farmers and incentivise crop diversification.
